Alumni Refresher and Director Education!

The Western States School of Banking is now offering Alumni the opportunity to return and experience the school again with no papers, tests, or dorms this time!

WSSB Alumni are invited to attend all or individual courses during the ten day school on the Campus of New Mexico State University.

All meals will be provided and (optional) on-campus accommodations are available for a low nightly rate.

The same experience is also now available for bank directors!

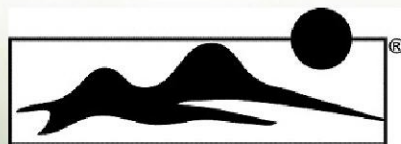

For details please contact the Western States School of Banking.
